**Qualifying Trade in and Rebate Amounts**

1. Program Term: **January 1 and June 27<sup>th</sup>, 2008**. End user must apply for the trade in rebate and printer pick up within 60 days from time of delivery of the new IP 6500 line matrix printer.
2. Trade in program is offered through authorized IBM Distributors and Business Partners in the Continental United States and Canada. Not valid in Hawaii and Alaska.
3. Trade in will be done on a one-for-one printer basis; purchase a new IP6500 line matrix printer and then trade in an old qualifying band or line matrix printer.
4. Trade in printer must be whole and complete and include all printer components.
5. Customer is responsible for strapping the trade in printer to a pallet.
6. Upon receipt of completed certificate, PRINTRONIX will contact customer with packaging and shipping instructions
7. PRINTRONIX will be responsible for all freight costs on the trade in printer.

A copy of customer's printer invoice and W9 form must accompany completed certificate in order to process trade in request. To obtain a W9 form, go to: <http://www.irs.gov/pub/irspdf/fw9.pdf>
